Re: *Hudson v. National Football League Management Council, et. al.*
Civil Action No. 18-cv-4483 (GHW)(RWL)

Dear Judge Woods:

We represent plaintiff in the referenced action. By order dated September 30, 2019 (ECF No. 96), Your Honor gave plaintiff until October 30 to file an amended complaint. Plaintiff respectfully requests an extension until November 15, 2019 to file the amended complaint. To address the issues raised in the September 30, 2019 Order, we have been conducting additional research and interviewing witnesses. That process is ongoing.

This is the first request for additional time and such extension will not affect any existing case management scheduling order.

We have conferred with defendants and they consent to plaintiff's request. Subject to Court approval, the parties have also agreed that defendants will have until December 13 to respond to any new complaint.

We appreciate the Court's consideration of our request.

Respectfully yours,

/s/ Daniella Quitt
